

Given my extensive background in the agricultural sector especially livestock feeds and its chemicals and Fertilizer application and my role as the Director of Longwell Ghana Limited, attending this event aligns seamlessly with our business objectives. The knowledge and connections gained during this conference will undoubtedly enhance our company's capacity to contribute meaningfully most importantly in the use and application of fertilizers in the general Farming sectors in Ghana and its trade neighboring countries such as Togo, Nigeria, Burkina Faso and Ivory Coast.

Enclosed, please kindly find the official invitation to the event, along with entry pass and all the other necessary documents including my flight itinerary, hotel reservation details, proof of financial capability and a comprehensive travel insurance policy. I am committed to complying with all visa requirements and regulations and I assure you that my visit will be in adherence to the stipulated dates and purpose.

I sincerely hope you consider my application favorably, and I am more than willing to provide additional documentation or information deemed necessary. Thank you for your time and attention to this matter.

Yours sincerely
